

2010 Guaranteed Accommodation in Ilam Apartments

UC Study Abroad Students (Whole Year)

A special on-campus accommodation package for Study Abroad and Exchange students has been developed in conjunction with Ilam Apartments. This university owned complex of modern 3, 4, 5 or 6 bedroom apartments (Manuka, Kowhai and Hinau) is managed by Campus Living Villages NZ Limited (CLV), an Australian-based company which also manages university accommodation at a number of universities in Australia, USA, England and New Zealand.

Special Package for Study Abroad and Exchange Students

2010 Package Rate: NZ\$8,150** for a Study Abroad whole year arrangement (this is for the 2010 academic year (February-November¹)).

The package includes the following:

- Administration Fee
- Accommodation Fees
- Utilities charges, including water and electricity
- Linen and Bedding Pack
- Residential Services Fee
- A two hour room clean at the end of stay
- Christchurch Day Trip Excursion Voucher
- **Opportunity to make up for any 'unused time' in the student's contract at another CLV Village in Australia** (subject to availability)

**** In addition**, a \$500 refundable Contingency Fee must be paid on acceptance of the Offer of Accommodation. This will be refunded at the end of the student's stay, less any deductions for damage, loss, unpaid accommodation fees or fines etc.

Availability Guarantee

Campus Living Villages guarantees the availability of this accommodation package for all students coming on university-approved Study Abroad or Exchange programmes (verified by the University of Canterbury's International Office) whose applications have been received before 1 December 2009. However, all intending residents should note that the Offer of Accommodation (emailed out following receipt of the application by CLV) has a two week deadline for acceptance. Late return of the acceptance may result in the loss of the room. Applications received after 1 December 2009 will be offered accommodation subject to availability.

Room placement is at the discretion of the Village Director and while every endeavour will be made to place Study Abroad and Exchange students in the Hinau and Kowhai buildings, these rooms are subject to availability.

While we believe this package offers excellent value and is the most hassle-free option for most students, acceptance of the arrangement is not mandatory. Other accommodation options can be found on the University's web site <http://www.canterbury.ac.nz/accom/>.

¹ Note that students coming for UC's second semester and first semester of the following year are eligible to accept the One Semester package each year.

Application Information

All students who would like to take up this offer must complete the online application form for accommodation at www.canterbury.ac.nz/accom/halls/apply_steps.shtml before 1 December 2009 for February 2010 start.

The student's details will be confirmed with the University of Canterbury's International Office and their application will then be processed.

All students should send their arrival details to the Accommodation Office to arrange an airport pickup as outlined at http://www.canterbury.ac.nz/accom/international/airport_pickup.shtml. This must be done at least one week prior to their departure.

Accommodation is available for students within the following dates:

Arrival – no earlier than 11.00 am on Monday 1 February 2010 (please note – International Orientation takes place on Monday 15 February).

Notes on Swap Procedure with Australian Villages

Students may stay for no longer than 2 weeks in another CLV Village. The stay must be taken up either immediately before the start of the academic year (Jan – Feb) or immediately following their last university commitment at the end of the year (Nov – Dec). Students should notify Ilam Apartments of their intention to request to take up the Village Swap at the time of application and complete the booking form. A booking form and further information is available by emailing a request to enquiries@clv.canterbury.ac.nz.

No guarantees can be given on availability for the swap. Where there is no availability at the Village of first preference, the application will be forwarded on to the Village of second preference.
