

Finding a job through Careers, Internships & Employment

UC CareerHub

www.careerhub.canterbury.ac.nz

Your link to:

- The Student & Graduate Recruitment Programme – several hundred national and international employers participate each year. Check your Job-list and Events on UC CareerHub regularly to make the most of these opportunities.
- Employer Information Sessions. (see UC CareerHub Events).
- Careers Fairs.
- Graduate jobs – starting now, next month or next year (see your individual Job-list on UC CareerHub).
- Internships, voluntary work, immediate vacancies, summer work experience, including Engineering practical work.
- Seminars on Preparing a CV, Job Interview Skills, etc (see UC CareerHub Events).
- Seminars on Canterbury undergraduate and postgraduate courses.
- UC CareerHub News – a weekly email.
- A wide range of useful articles and links to websites.
- Heading overseas or taking a break after graduation? Use UC CareerHub to keep in touch with employment opportunities.

How to register

- **Current students** – Register using your student IT user code and password.
- **Recent graduates** – are able to register on UC CareerHub but not through the above URL. Please contact us for assistance: careers@canterbury.ac.nz.
- If you would like to receive a weekly UC CareerHub newsletter which will include a selection (not all) of Jobs and Events relevant to your degree, plus other information, you will need to 'OPT IN' by clicking the newsletter box in the details section when registering.
