Coffee drop ins

Based in the UC Career's office, students are able to meet with your company's representatives on an informal basis. This can be over the lunch hour or at a time to suit you.

Summertime catch-ups

Make the most of our outdoor area to meet with students and share information about your recruitment opportunities.

Pizza Nights

Based in the student hub – The Undercroft Seminar Room – bring along your staff and some pizzas for a chance to network with students. Let them know more about your organisation and the opportunities you offer over a slice of pizza.

Interviewing

Make use of our purpose built interviewing rooms right in the middle of campus. These are available at no charge.

Meet and Greet Functions We provide the opportunity to hold a more structured presentation directly to students. You provide the guest speakers, PowerPoint presentations and perhaps a Q & A session followed by a networking opportunity. We provide you with the venue, equipment and assist with promotion.

Careers Fairs

Annually we hold the following careers fairs across the academic year – Law, Commerce, Engineering and Science, Education and ICT, our fairs have the reputation of being New Zealand's best university fairs, come along to see why.
