Guiding young children’s behaviour

Consent form for Child

My parent/teacher has told me about your project.

I am happy for you to help me with (say the name of the project).

I know that any information collected about me will not be told to anyone else and will be stored away in a locked cabinet. (Say name of student) will also not use my name or my parents/whanau/teachers names (as applicable) or the name of my centre in the project. All information will be destroyed after the project has been written up. My Mum and Dad and my Supervisor will receive a small report of the project.

I understand that I can change my mind about being in this project and no-one will mind.

I know that if I have any questions I can ask my parents/whanau or my teacher.

Child’s name: __________________________________________________________

Signed by child (or on behalf of child)- Parent/Whanau signature: ______________________

Date: ______________________

[Note: The parents/caregivers will also receive a full information sheet and will be required to complete a consent form as well before the child can take part in this research.]
