

Student Printing Services Policy

The Utilisation of Printing Services by Students

Last Modified	July 2017
Review Date	July 2019
Approval Authority	Vice-Chancellor
Contact Officer	Campus Services Manager – Learning Resources

Introduction

The University wishes to promote sustainable, reliable, accessible and user friendly printing services across campus. The University encourages its students to be diligent with regard to the level of printing that is carried out.

This document outlines the University's approach to the utilisation of on-campus student printing services.

Definitions

Campus – includes all University property, including vehicles, field stations, regional campuses and centres and applies to all activities under the general control of the University.

Canterbury Card account – the mechanism by which students can check their current Canterbury Card balance and view their print jobs.

Copy Centre – walk up student print and binding service.

Duplex – a method of printing on both sides of paper; i.e., two-sided.

Follow You Printing – a print feature that enables the user to send a print job to a Follow You Print queue and retrieve it from any Follow You Print enabled device on campus.

Student – a person who is currently enrolled as a student at the University, either directly or through official arrangements with another organisation.

Note: Where students have been allocated a staff IT account due to the nature of the additional activities they carry out including tutoring, teaching or lab supervision, these activities are covered under the [Staff Printing Services Policy \(PDF, 155KB\)](#) and any

printing required should be funded from departmental budgets, not individual printing credits. However, this policy does apply to the personal study and research activities of those students who are expected to use personal printing credits for their own work.

Policy Statement

This policy applies to all students covered by this policy. The University is committed to providing the best possible on-campus printing services to students.

Self Service Printing Services Charge Rates

All printing will be charged at the rates as defined in the Information Technology (“IT”) Services [Printing and Copying Charges \(University of Canterbury Email and IT Services Printing and Copying Website\)](#).

Student printing costs (excluding the Copy Centre print services) will be charged to the individual’s student [Canterbury Card Account \(University of Canterbury Card Account website\)](#).

Print Services charge rates will be calculated by Learning Resources on the basis of providing cost neutral printing services.

Doctoral Students

Under the [Provision of Resources Policy – Support for Doctoral Students \(PDF, 129KB\)](#), Doctoral Students receive a one-off printing credit to support the production of their thesis. The value of this credit will be determined by the University and is non-refundable.

Copy Centre Printing Services

The Copy Centre provides student printing and binding services. Payment by EFTPOS and Credit Card only.

Copyright

Staff and students must be aware of their obligation to comply with current copyright legislation and licences entered into by the University when utilising on campus printing and copying services. Refer to the [Copyright Policy \(PDF, 329KB\)](#).

Sustainability

All standard print services provided will have environmentally friendly default settings such as automatic duplexing. In addition, device power saving features such as low energy standby mode and limited LCD display when not in use.

Students are asked to recycle unwanted non-sensitive printing or copying by using the clean paper recycle bins located around campus.

Students are encouraged to utilise Follow You Printing technology in order to reduce print wastage and heavy print burdens on shared student print devices.
