Introduction to ECUPL

Founded in 1952, East China University of Political Science and Law (ECUPL) is among the first group of universities of politics and law established by the People's Republic of China. Twin campuses are located in Changning and Songjiang district respectively. It has more than 18000 students, and there are 26 undergraduate programs, 56 master's programs, 24 Ph.D. programs, and 2 post-doctoral mobile stations. During the past seventy years, ECUPL has developed into a multidisciplinary university that, while focusing on legal education, offers a variety of other disciplines such as political science, economics, management, humanities and computer science. With an international reputation as "The Oriental Pearl in legal education," the University has been admitting international students since 1984. International Exchange Center and International School are in charge of admission and administration, as well as exchange with overseas institutions. Our university has passed the Higher Education Quality Certification for International Students in China.

► PROGRAM HISTORY
