

Postgraduate Certificate in Project Management (PGCertPMgt – 60 points)

These regulations must be read in conjunction with the General Regulations for the University.

1. Version

- These Regulations came into force on 1 September 2025.
- This degree was first offered in 2025.

2. Variations

In exceptional circumstances the Amo Matua, Pūhanga | Executive Dean of Engineering or delegate may approve a personal programme of study which does not conform to these regulations.

3. The structure of the qualification

To qualify for the Postgraduate Certificate in Project Management a student must be credited with:

- a minimum of 60 points towards the qualification; and
- all courses in Schedule C of these regulations.

4. Admission to the qualification

To be admitted to the Postgraduate Certificate in Project Management a student must have:

- either:
 - qualified for a bachelor's degree in any discipline from a NZ university with a minimum B- average in the 300 level courses of the degree; or
 - qualified for a Graduate Diploma in Project Management from a NZ institution with a minimum B- average in the 300 level courses of the Diploma; or
 - been admitted with equivalent academic standing; and
- three years relevant work experience in a projectised environment.

5. Subjects

There are no majors, minors or endorsements for this qualification.

6. Time limits

The time limit for this qualification is 24 months.

7. Transfers of credit, substitutions and cross-credits

This qualification adheres to the General Conditions for Credit and Transfer Regulations, with the following stipulation:

- A student who is exempt from a Schedule C course is required to substitute this with another course from the Master of Project Management Schedule C, Group 2 or another course approved by the Amo Matua, Pūhanga | Executive Dean of Engineering or delegate.

8. Progression

This qualification adheres to the General Regulations for the University, with the following stipulations:

- A student who fails up to 15 points for the qualification may, with the permission of the Amo Matua, Pūhanga | Executive Dean of Engineering or delegate, repeat that course or courses; and
- A student will be withdrawn from the qualification if they fail more than 15 points.

9. Honours, Distinction and Merit

This qualification adheres to the General Regulations for the University and may be awarded with Distinction and Merit.

10. Exit and Upgrade Pathways to other Qualifications
