5. Any person who is qualified to matriculate must, upon first enrolling, sign a matriculation declaration. A matriculation declaration must be made not later than 1 June in the year of a student's first enrolment, provided that a declaration may be made within 21 days after that date if accompanied by a late fee.

The decision of the Council Appeals Committee is final.
8. Where a student wishes to be enrolled in more than one institution simultaneously, it is the responsibility of the student to ensure that there are no clashes of lectures, tutorials or examinations. Students intending to seek credit towards a University of Canterbury qualification on the basis of passes in one or more courses at another institution are strongly encouraged to obtain prior written confirmation from the University of Canterbury of the precise credit (if any) which will be granted.

B. University Entrance

1. University Entrance means:
 - (a) From 2005:
 - i. A minimum of 42 credits at Level 3 or higher on the National Qualifications Framework, which must include a minimum of 14 Credits at Level 3 or higher in each of at least two approved subjects, with a further 14 Credits at Level 3 or higher from one or two domains or approved subjects;

- (b) From 1993 to 2004: Higher School Certificate and a C grade or higher in each of three New Zealand University Entrance, Bursaries and Scholarships Examinations subjects.

C. Transfer

1. Any person who has been enrolled at another University in New Zealand may transfer either:
 - (a) as a candidate for a degree or other qualification with such credit or status as the Academic Board may determine; or

- (b) on the terms that he or she may enrol for a degree or other qualification on attaining a qualifying standard in such courses as the Academic Board may determine; or
 - (c) on the terms that he or she may become eligible for the award of a degree or other qualification on passing such courses as the Academic Board may determine.
2. A student who transfers with the status of a holder of a degree or other academic award is deemed to satisfy any academic requirement which a holder of this award may satisfy, but not to be a holder of this award.
 3. The enrolment of any student who transfers is provisional, and the matriculation of such a student will not be complete, until the Academic Board has accepted the student's record as satisfactory.

Notes:

1. *Students are responsible for ensuring that their records are transferred from their former university.*
2. *A student who has obtained at least 56 points at 300-level/Stage 3 towards a degree of another university and requires not more than 100 points to complete that degree will normally enrol for a Certificate of Proficiency in courses to be credited towards that degree, and not for the corresponding degree of the University of Canterbury.*

D. Admission and Credit (Ad Eundem Statum)

1. A person who has gained academic qualifications at any university outside New Zealand or any tertiary institution which is not a university in New Zealand or elsewhere may be admitted and/or granted ad eundem statum ('with equivalent standing') either:
 - (a) as a candidate for a degree or other qualification with such credit or status as the Academic Board may determine; or
 - (b) on the terms that he or she may enrol for a degree or other qualification on attaining a qualifying standard in such courses as the Academic Board may determine; or
 - (c) on the terms that he or she may become eligible for the award of a degree or other qualification on passing such courses as the Academic Board may determine.

Notes:

3. *Students transferring from other New Zealand universities should apply under Section C*

Admission Regulations

Transfer above.

4. Where degree regulations make provision for entry and/or credit for specified tertiary courses, an application for *ad eundem status* credit is not required. Applicants should contact the Admissions Officer for information on how to apply.
 5. For the prescribed fee for credit *ad eundem status* see the Schedule to the Fees Regulations.
2. A person who has gained academic qualifications at secondary school level outside New Zealand or non-NCEA secondary qualifications at any educational institution in New Zealand may be admitted *ad eundem status* as a candidate for a degree or other qualification with such standing as the Academic Board may determine.
 - (a) Notwithstanding the above, in exceptional circumstances a person who has not yet completed such a qualification but on the assessment of the Academic Board is considered to have achieved preparation of equivalent status, may be granted admission *ad eundem status*.
 - (b) In such cases continued enrolment might be conditional on passing such courses as the Academic Board may determine.
 3. A student admitted *ad eundem status* with the status of a holder of a degree or other academic award is deemed to satisfy any academic requirement which a holder of this award may satisfy, but not to be a holder of this award.
 4. Before being admitted *ad eundem status*, applicants must satisfy the requirement of competence in English as prescribed in Section A General, Regulation 3 above.
 5. Applications for admission *ad eundem status* must be made on the prescribed form with the prescribed fee and supported by (a) evidence identifying the applicant and (b) original certificates of the academic qualifications on which the application is based (or certified copies thereof).

Notes:

1. For the prescribed fee for admission *ad eundem status* see the Schedule to the Fees Regulations.
2. Applications may be made at any time, but to be certain of receiving notification of acceptance in time to complete the formalities (especially in the case of overseas applications), applicants must make sure that the necessary forms are submitted before 1 November for

Semester 1 (February start) and before 1 May for Semester 2 (July start).

E. Discretionary Entrance

1. These regulations are applicable to New Zealand citizens and permanent residents and Australian citizens who are under 20 years of age and who are not otherwise qualified to enrol for an undergraduate degree qualification.
2. Eligibility to apply: A person under the age of 20 years may apply for Discretionary Entrance provided that he or she:
 - (a) is a citizen or permanent resident of New Zealand or a citizen of Australia; and
 - (b) does not meet the University Entrance standard; and
 - (c) has achieved a minimum of 24 points in the International Baccalaureate but has not been awarded the Diploma; or
 - (d) has received schooling to at least New Zealand Year 12 (or its equivalent overseas), and has obtained a minimum of 72 credits at Level 2 NCEA including a minimum of 14 credits in each of four subjects, three of which must be approved subjects, and a number of Merits and Excellences, or equivalent; and
 - (e) has met the literacy and numeracy standards required for University Entrance, or their equivalents; and
 - (f) has:
 - i. not completed Year 13 at a New Zealand secondary school; or
 - ii. undertaken study in Year 13 at a New Zealand secondary school, but has not attempted to qualify for University Entrance.
3. Any applicant against whom a decision is given under Section E may appeal to the Assistant Vice-Chancellor (Academic). The appeal must be lodged in writing with the University Grievance Advisor within 10 working days of the decision or such longer period as the Assistant Vice-Chancellor (Academic) may determine. A person whose application is declined by the Assistant Vice-Chancellor (Academic) may appeal to the New Zealand Qualifications Authority, whose decision in the matter is final.

Further information, regulations and application forms may be obtained from the nearest secondary school or University Liaison Office. Applications with the applicable fee must be made before 10 December. Late applications will be considered on a case-by-case basis.

Note: Students attempting to achieve University Entrance under NCEA in one year are not eligible to apply for Discretionary Entrance in that year. They may, however, apply for entry to summer programme credit courses. If University Entrance is not gained, the student may continue with the course and if successful will be credited with the course when eligibility to enrol at the University is achieved.

F. Special Admission

1. In exceptional cases, a person who does not qualify for admission under Section A, General Regulation 2(a)-(e) above may apply for special admission to enter the University if they:
 - (a) are a domestic student, and are under 20 years of age on the official course start date, or
 - (b) are an international student.
2. In assessing whether to grant special admission in particular cases the Academic Board will consider:
 - (a) whether the applicant has met a standard equivalent to that required under Section A General, Regulation 3, and Section B University Entrance; and
 - (b) evidence of the applicant's preparedness for University study.
3. Any applicant against whom a decision is given under Section F may appeal to the Assistant Vice-Chancellor (Academic). The appeal must be lodged in writing with the University Grievance Advisor within 10 working days of the decision or such longer period as the Assistant Vice-Chancellor (Academic) may determine. The decision of the Assistant Vice-Chancellor (Academic) is final.

Applications with supporting documentation should be sent to the Liaison Office, with the prescribed fee, by 10 December. Late applications will be considered on a case-by-case basis.

Note: Special Admission to enter the University does not guarantee admission to a particular programme of study.

G. Limitation of Entry

A. Courses to which entry is limited or which have special application requirements

Enrolments in the courses and programmes listed in Part 1 of the Schedule to these Regulations shall normally be limited to the numbers specified in that Schedule.

Note: Some courses and programmes also require

special applications and/or applications by a specified date.

B. Selection criteria

1. If the number of applicants for a course exceeds the number to which the course is limited, selection will normally be determined by the Department according to the following criteria:
 - (a) Students in their first year of study will be selected on the basis of their overall Year 13 results or, if they did not take a Year 13 year, their overall Year 12 results, or other equivalent evidence;
 - (b) Students in their second or subsequent year of study will be selected on the basis of the grade average of their previous university study;
 - (c) Students to whom the criteria in (a) and (b) are inapplicable, or cannot be fairly applied, will be selected on the basis of other indicators of academic merit and of potential for success in the course. Regard may also be had to special circumstances relating to the student, the course or the needs of particular groups in the community.
 - (d) Except in exceptional circumstances, students who have not applied to enrol for the relevant course by the due date will not be considered until after the initial selection has been made.

Notes:

1. *In determining an applicant's grade average for the purpose of (b) above a department may attach more weight to certain courses or years of study.*
2. *In the case of courses above 100-level, particular regard will normally be paid to the student's performance in the appropriate prerequisite, or other relevant courses.*
3. *For the purpose of (c) above indicators of academic merit and of potential for success include study at schools or other institutions of learning, professional qualifications and work experience. Interviews may be used to assess such indicators. Students are invited to supply relevant information with their application forms.*
2. Special criteria which differ from those in Regulation B1 above may be specified for particular courses. These special criteria are listed in Part 1 of the Schedule to these Regulations.
3. Special provision may be made in courses for quotas for particular groups of students. Such provisions are listed in Part 1 of the Schedule to

Admission Regulations

these Regulations.

4. A student whose record shows two or more previous enrolments in a course to which entry is limited will not normally be permitted to re-enrol in that course.
5. In cases of equal merit, students seeking to enrol for a course above 100-level which is compulsory for their degree or for a course above 100-level which is a prerequisite, co-requisite or recommended preparation for a compulsory course will normally be given preference in selection.
6. Students who have been offered a place may forfeit the place if they have not completed enrolment by the end of the official course start date unless they have been given permission to enrol after that date.
7. International students may be admitted to a limited entry course only where enrolment in the course has not reached the limit, or where an international student quota (ISQ) is set over and above the limit for the course. International students should be admitted to an international student quota only if they are demonstrably of sufficient ability to succeed in the course. International students admitted under Overseas Development Assistance (ODA) agreements are treated as domestic students for the purposes of this regulation.

C. Guaranteed entry

1. Where possible, each Department which offers a course to which entry is limited shall publish
 - (a) in respect of first-year students a Level 3 NCEA level of achievement; and

- (b) in respect of advancing students a grade or grade average which will guarantee entry to that course. Each year the University will publish a schedule of these marks and grades or grade averages; the schedule will be available from the Academic Quality Assurance Unit.

Note: While for most courses the guaranteed entry level so specified will be an overall level of achievement in NCEA or grade average, for some it may be NCEA results or a grade in a particular subject or subjects. In courses where academic merit is not the sole criterion for admission, no guaranteed entry level based on NCEA results or a grade can be given.

Students who have attained the mark or grade or grade average specified for guaranteed entry to a course will be accepted into the course provided they have applied to enrol for it by the due date.

Students who are not guaranteed entry under this regulation will be considered for admission to the course under the usual selection criteria specified in Regulation B1 above.

2. Notwithstanding anything in Regulation C1 above, acceptance into a course is subject to the student having satisfied all prerequisites and co-requisites for that course, and all other requirements of the University.

Note: The General Course and Examination Regulations, Section A Enrolment in Courses, Regulation 1(d) provides that a student may be refused permission to enrol in a course of study if it is not suitable.

Part 2

Enrolment in courses in Fine Arts shall be subject to the following conditions:

1.
 - (a) The total enrolment of students taking Studio courses for the Degree of Bachelor of Fine Arts shall not exceed 230.
 - (b) The total enrolment of students taking courses leading to the degrees of Bachelor of Fine Arts(Hons) and Master of Fine Arts shall be limited by such constraints on space and staffing as the School of Fine Arts shall determine as existing in any one year.
Note: The Studio courses are FINT 103 and the courses listed in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts.
2.
 - (a) The total enrolment of students in FINT 103 shall normally not exceed 65, with no more than two international students.
 - (b) Should more than 65 persons apply for admission to FINT 103 applications will normally be accepted in order of academic merit.
 - (c) Normally not more than 50 places will be allocated in the first round of selection to applicants who have been examined in two NCEA Practical Art subjects. Applications for entry under this regulation must be made within four years of completing the NCEA Practical Art credits. In assessing academic merit the School will place the greatest weight on performance in NCEA Practical Art but applicants must also satisfy the School regarding their ability and potential for success in non-studio areas of study.
 - (d) Normally not more than 10 places will be allocated in the first round of selection to applicants who are not eligible for admission under Regulation 2(c) above or have failed to gain a place in a previous year but who can satisfy the School that they possess relevant skills and experience constituting a valid qualification for admission to FINT 103. For admission under this regulation applicants

will be required to submit a portfolio of works and show evidence of ability in non-studio academic work.

Notes:

1. *Applicants must apply to enrol by the prescribed date, but in addition to this they must return a fully completed application form for admission to FINT 103 to be received by the Head of the School of Fine Arts no later than 15 November of the year preceding that for which admission is sought. Applicants must also include a selection of no less than 12 examples of work that supports each of the NCEA Practical Art subjects used in the application for entry into FINT 103.*
2. *This supplementary submission of work will be presented as colour laser copies printed at A4 format and stapled together. These must be available for viewing by the co-ordinator of Stage 1 Studies no later than 15 November of the year in which application is made.*
3. *Applications from persons wishing to repeat FINT 103 will be subject to the above limitation.*
4. *Suitably qualified candidates who consider that their personal circumstances are such that a decision on their admission should be made before selection for the School normally takes place may apply for a reserved place. Such application must be made in writing to the Head of the School of Fine Arts before 1 November of the year preceding that for which admission is sought.*
5. *Applicants who fail to return an application form to the Head of the School of Fine Arts before 15 November will be considered only after an initial selection has been made.*
3. Enrolments in 200-level courses in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts shall normally be limited as follows:

5. When applications exceed the places available for the courses listed in regulations 3 and 4, selection will normally be made on the basis of performance in appropriate prerequisite courses. This is provided that not more than two places in each of DESI 201 and FILM 201 will be allocated, on the first round of selection, to applicants who, though they have not been examined in FINT 103, possess the relevant skills and experience constituting a valid qualification for admission (see Bachelor of Fine Arts Regulation 4).

Notes:

1. A pass in FINT 103 is normally required for admission to Part 2 courses and a pass in 30 points at 100-level of Art History and Theory and 15 points at 200-level in Art History and Theory is normally required for admission to 300-level courses in Part 2 of the Schedule to the Regulations for the Degree of Bachelor of Fine Arts. For Graphic Design (DESI 201) and Film (FILM 201) only, there is provision for students to be admitted on the basis of other approved qualifications. For details of the application procedure see Bachelor of Fine Arts Regulation 4.
2. Any person who is or was enrolled in a limited entry studio course who considers his or her performance severely impaired by illness or injury or other critical circumstance over an extended period and which caused him or her to discontinue or fail the course may apply for a reserved place in the said course for the next year following only. Such written applications must be received by the Head of the School of Fine Arts before 1 November of the year preceding that for which application is made.
3. While students may normally apply for entry only to those 200-level courses for which they received specific preparatory instruction in Term 3 and 4 of the FINT 103 programme, they may be offered places in other courses once the

first round of offers has been completed.

6. Additional weight may be given to applications for admission to limited studio courses from persons who have successfully completed such prerequisite courses as may be required, within three years of applying for admission.
7. Applications for admission to courses listed in regulations 3 and 4 above must be made on the correct form and be received by the Head of the School of Fine Arts not later than the 3rd Friday in October of the year preceding that for which application is made.

Note: Applications received after the 3rd Friday in October will be considered only after the initial selection has been completed.

Part 3

Enrolment in courses in Performance offered by the School of Music shall be subject to the following conditions:

1. Enrolment in Performance courses shall normally be available only to students who enrol in such courses for credit to the relevant degree of Bachelor of Music or Bachelor of Music with Honours or Master of Music.
2. The enrolment of students in Performance courses shall be determined as follows:
 - (a) The total enrolment of students taught by full-time performance staff in any one instrument shall normally not exceed 12.
 - (b) The total enrolment of students taught by part-time performance staff shall be limited by constraints on the provision of staffing as the School of Music shall determine in any one year.
 - (c) The total number of places available annually for initial admission in any one instrument shall normally not exceed four.
3. For initial admission to performance courses, students must satisfy a School of Music Audition.

Notes:

1. Applications for audition must be received by the Administrator of the School of Music by 15 September in the year preceding enrolment. Applications shall be accompanied by an audio recording of the applicant's playing, such a recording to be certified by a school principal, registered music teacher, or other competent authority as an unedited recording of the applicant's performance.
2. After an initial screening based on the submitted recordings, applicants will be invited to attend a live audition at which the applicant

- will perform three contrasting pieces and will be interviewed by performance teaching staff.
- On the basis of the live audition, all applicants for each instrument and for voice who are of an acceptable standard shall be placed in rank order, and the number of applications accepted shall normally be the same as the number of places available.
 - If an applicant accepted by the School of Music withdraws before the final date for enrolment or chooses to decline the place, the next applicant in the rank order who was not offered a place shall be offered a place.

H. Preferential Entry

- Students in the following categories will receive Preferential Entry to UC (subject to gaining University Entrance):
 - Students awarded a UC Undergraduate Entrance Scholarship.
 - Students awarded a UC Emerging Leaders or Dux Scholarship.
 - Students with NCEA Level 3 who achieve an entry score of at least 120 (see table opposite for how to calculate your entry score).
 - Students with an International Baccalaureate score of 26.
 - Students with a score of at least 140 points in the Cambridge International Examinations (see www.canterbury.ac.nz/admissions for an example showing how the CIE score is calculated).
 - Students who have been accepted for programme entry into the Bachelor of Fine Arts Intermediate Year or the Bachelor of Music (Performance).
 - Students who successfully complete a STAR course at UC in Year 12 or Year 13.
- Students not meeting the requirements for Preferential Entry will be offered places subject to priority and availability.
 - NCEA entry scores will be calculated by awarding points as in the following example:

Approved Subject (best 24 credits per subject)	Excellence Credits (worth 4 points)	Merit Credits (worth 3 points)	Achieved Credits (worth 2 points)
Classical Studies	2	4	12
English	3	5	10
French		4	10
Geography	3	3	12
History			14
Subtotals	8	16	58
Best 80 credits	8	16	56
Calculate points	8 x 4 points = 32	16 x 3 points = 48	56 x 2 points = 112

Entry score: 32 + 48 + 112 = 192

Notes:

- Preferential Entry for NCEA students will be calculated using the best 24 credits from each approved subject. Excellence and Merit credits are counted first, then Achieved results as required up to a maximum of 80 credits.
- Excellence Credits are worth 4 points. Merit Credits are worth 3 points. Achieved Credits are worth 2 points. Unit standards can be counted towards your entry score and are worth 2 points.
- Programme entry requirements still need to be met.
