

Honours & Appointments Committee Terms of Reference

Mission

The Council of the University of Canterbury has established an Honours & Appointments Committee to make recommendations to Council on the:

- award of honorary doctorates;
- any other awards requested by Council;
- appointment of members to Council or external bodies.

Membership

The Honours & Appointments Committee will comprise not less than four members, being the Chancellor, Pro-Chancellor, Vice-Chancellor and one other Council member. Any vacancies may be filled by the Council at any time, should they occur.

All members will be appointed by the Council. Any member of Council can be elected to the Committee. The Chair of the Honours and Appointments Committee will be appointed by Council.

Members are appointed for an initial term of no more than two years. They may be eligible for an extension or reappointment.

Three members of the Committee will form a quorum.

Any member of Council may attend a Committee meeting, even if not an elected member of the Committee.

Refer to Appendix 1 for the current Honours and Appointments Committee membership.

Terms of Reference

Without limiting the Honours & Appointments Committee's responsibility to fulfil its mission, the terms of reference for the Committee are to:

1. Consider nominations and make recommendations to Council on the award of honorary doctorates in accordance with the [Honorary Awards and Honours Conferred by the University Council Policy](#);
2. Upon invitation, consider the award of, or support for, other awards the University wishes to make or support and to give advice to Council accordingly;
3. Consider nominations and expressions of interest and make recommendations to Council on the appointment of members to Council, in accordance with the [Council Member Appointments and Elections Statute](#);
4. Consider nominations and make recommendations to Council on appointments to external bodies on which the University is represented.

Appointments to External Bodies

From time to time the Committee may consider and make recommendations to Council on a Council member joining other external bodies as a representative of the University Council.

Meetings

Meetings of the Honours & Appointments Committee shall be convened at the direction of the Chair. If the Chair is absent, then those present shall elect one member to be Chair for that meeting.

Meeting agendas will be drawn up by the University Registrar and the Committee Chair in consultation with the Vice-Chancellor. The agenda and accompanying papers shall be circulated at least four working days prior to the meeting of the Committee, but where circumstances require and with the consent of the Committee Chair, papers may be circulated nearer the meeting date or at the meeting.

At the discretion of the Committee Chair, meetings may be conducted in person, by audio, audio-visual or other electronic communication.

The Committee Secretary will be the University Registrar (or delegate) who will be responsible for minuting the meetings.

Reporting

The Honours & Appointments Committee shall, at the next Council meeting, recommend:

1. any person for an Honorary Degree or other award;
2. any person for Council or external body appointment.

Review of Terms of Reference

These terms of reference will be reviewed at least every three years and earlier if necessary. Any proposed changes will be put to Council for approval. A Committee self-assessment process should take place at least every three years.
