

Harmful Sexual Behaviour Support & Report | Students

The next steps you take are your choice.

You can seek support for anything that has happened, at any time, whether it is recent or in the past.

Harmful Sexual Behaviour Support & Report Options

Internal Support Options

Atawhai Ākonga | Student Care
Student Care is a **primary** support service that can talk through support and reporting options including safety planning.

Support
Providing advice and support

Safety Measures
Exploring ways to help you feel safe at UC

Academic Support
Exploring academic support options.

Referrals
Referrals to community support services.

UC Health Centre
The UC Health Centre is a **primary** support service that has a team of GPs, Nurses, Health Improvement Practitioners and Counsellors.

Health Care (for enrolled patients)

Short term counselling to support you in processing your experience and moving forward in your healing journey.

There are also community responsive teams that can provide support alongside the above primary support services:

- International Student Support
- Pacific Development Team
- Rainbow Leads
- UC Māori Student Support

External Support Options

Off Campus Support Services

There are a range of community services that offer support, with some available 24/7. This means that there is always a trained specialist to talk to, any day, any time.

Report Options

Police
You can report to the police.

Anonymous Reporting
You can make an anonymous report to UC via the Report IT Tool.

Formal Complaint
You can make a formal complaint to the University for the incident to be investigated.

UC Student Support Services can provide guidance and support regarding reporting options.

You can bring support people to any appointments
See the Support Services List for a range of on campus and off campus support services including those specified in this pathway
