The face-to-face learning occurs in four on-campus intensive Block Courses of one-week duration each semester. These usually run in the 1st or 2nd week of each term. Attendance is compulsory to meet course and SWRB requirements, there is no online option. Non-attendance, without any prior notification and approval, may acquire in a fail result and/or a withdrawal from the programme. In the instance of illness or factors beyond the student's control, evidence in the form of a doctor's certificate or other relevant documentation will be required prior to the start of block course week. In these cases, the student is required to contact the MSW (app) programme coordinator.

In placement year, students will be required to undertake two placements, one in semester 1 and the 2nd in semester 2. The placement requirement is 60 hours per placement and runs from Tuesday to Friday each week, starting in the first week of each semester. This placement is unpaid, and you are required to travel to and from the agency at your own expense. We endeavour to take in to account your home location when sourcing the placement for you and also take in to consideration your particular area of interest, but cannot guarantee places in a specific area of interest.

PERSONAL STATEMENT

400 – 750 words

The experiences which have contributed to my choice of social work as a career.

Declaration

I have read the documents referred to on this application form in relation to suitability criteria and I have answered all of the above questions truthfully. I understand the non-disclosure of anything that may come up in a Police Check may affect my enrolment.

Students are required to declare all matters that may have a bearing on their suitability for social work education and practice as soon as they become aware of them. This requirement exists at any time during the application process and persists whilst accepted into or enrolled in any course of study toward recognised social work qualifications. Where students do not declare such issues (i.e. the student wilfully and knowingly does not disclose their change in circumstances), and these are independently discovered or declared by a third party, failure to make a declaration may in itself constitute grounds for their enrolment in the University or any particular course being declined or cancelled.

Enrolment in the University or any particular course may be declined or cancelled. Refer to the 2022 UC Calendar, page 240, MSW(Applied) Degree Regulation 4(b) and (c), and Regulation 8 (a) and (b); and the UC Admission Regulations 12 and 13 (Page 21 UC 2022 Calendar); and the UC Behavioural Misconduct Regulations (Page 59 UC 2022 Calendar) and Academic Misconduct Regulations (Page 61 UC 2022 Calendar), and the Student Code of Conduct.
