

# Wetland scavenger search

Don't forget to take a pencil to tick off the items you find.

Take this card and go for a short walk through the wetland with a friend. Look, listen, and smell for items on the list and tick them off when you find them.

## Can you find...

- A bug *Where was it seen? land / water / air*
- Pūhio/Carex sedge *Hint: it grows by the water*
- Habitat for tuna, eels and fish
- Two pairs of gumboots
- Paddock  
*Are there any cows? Yes / No, if Yes, how many? \_\_\_\_*
- Bird  
*What kind was it? \_\_\_\_\_*
- Tī kōuka/Cabbage tree  
*Is it taller than you?\_\_\_\_\_*
- Kowhāi tree flowers  
*What colour are the flowers?\_\_\_\_\_*
- Plant growing in the water  
*Can you see flowers? Yes / No*
- Something that smells sweet
- Freshwater scientist
