

Be part of New Zealand's energy journey

Power up your studies with a scholarship of up to \$14,000 to study Electrical Engineering at the University of Canterbury

"Electrical Engineering wasn't even on my radar until my interest was sparked at one of the industry talks. There seems to be an electronic component to everything these days."

Rebecca Lindsay
2nd Pro, EPECentre Scholar

Up to eight scholarships available for school-leavers

For UC students, up to six available per year in Engineering Intermediate, First and Second Professional Year

**Applications close
15 August 2019**
