Discipline Regulations

1. Action may be taken against any student on the grounds of breach of discipline by that student. "Breach of discipline" includes the breach of a regulation of the University or of any instruction to students issued by or under the authority of the University Council or Academic Board, and also includes any conduct which could reasonably be held prejudicial to the functioning or interests of the University or the interests of its students.

Note: For regulations imposing duties on students see in particular the General Course and Examination Regulations, Computer Use Policy and Procedures, Parking and Traffic Statute 2003 and the Library Regulations

2. Apart from cases dealt with by the Students' Association under Regulation 5, The University Proctor shall be responsible in the first instance for the investigation of complaints about breach of discipline within the University or elsewhere.
 - (a) If, after investigating the complaint, the Proctor considers that a serious breach of discipline has occurred the Proctor may deal with the matter and impose any appropriate penalty as provided in Regulation 2(b), provided that if:
 - i. the said breach of discipline is denied, or
 - ii. the said breach of discipline is of such a nature that it appears to the Proctor that suspension or expulsion from the University or any course or a fine in excess of \$500 appears to be justified, the matter shall be reported to the Discipline Committee, which shall deal with it in accordance with Regulations 3 and 4 below
 - (b) If, after investigating the complaint, the Proctor considers that a minor breach of discipline has occurred or the student has admitted a serious breach of discipline, the Proctor may deal with the matter and may, after giving the student a reasonable opportunity to make representations, impose any of the following penalties:
 - i. a reprimand,
 - ii. a direction that the student apologise,
 - iii. a fine not exceeding \$500,
 - iv. a requirement that the student make restitution in respect of property stolen, lost, or damaged, or of costs incurred by the University through unauthorized activities,

- v. unpaid University community service not exceeding forty hours in duration,
 - vi. denial of credit or partial credit in any course (if the matter involves a breach of discipline involving assessment).
- (c) The Proctor may also advise the student to undertake any other action that the Proctor deems to be of assistance to the student, e.g. undertaking counseling or mediation, anger management, or a culturally appropriate activity.
- (d) Any student disciplined by the Proctor under Regulation 2 may appeal to the Discipline Committee within 10 working days, or such longer time as the Committee may allow in a particular case. If the student does not appeal, but does not satisfy the requirements of the penalty imposed by the Proctor under Regulation 2(b), the matter shall be referred by the Proctor to the Discipline Committee, which may enforce the penalty in accordance with Regulation 4(b) below.
3. (a) Notice of the time and place at which the Discipline Committee intends to consider any complaint against a student shall be sent by registered post to the student at the last known address a reasonable time before the hearing. The notice shall contain sufficient particulars to inform the student fairly of what is alleged against him or her.
- (b) The student shall have a right to appear before the Committee at the hearing of the complaint, and the Committee shall give him or her a reasonable opportunity to make representations.
- (c) The student may be represented at the hearing by a person of his or her choice.
4. (a) The powers of the Discipline Committee shall include power to reprimand, fine, suspend or expel any student, require restitution in respect of property stolen, lost, or damaged, or of costs incurred by the University through unauthorised activities, unpaid University community service and denial or partial denial of credit in any courses (if the matter involves a breach of discipline involving assessment). Where all credit for a course is denied, an "X" grade may be recorded on the student record in relation to that course.
- (b) Without limiting the generality of Regulation 4(a), if a student fails to pay moneys owing by way of fine or restitution, or otherwise fails to satisfy the requirements of the penalty imposed on the student, the Discipline Committee may direct that until the moneys have been paid, or the requirements of the penalty satisfied:
- i. examination results be withheld;
 - ii. the award of any certificate, diploma or degree to which he or she is entitled be deferred;
 - iii. he or she be suspended;
 - iv. he or she be not permitted to re-enrol at the University.
- (c) Proven or admitted breaches of discipline will be noted on the University Discipline Register.
5. (a) The Students' Association may discipline any student, club or society for conduct which is, or tends to be, subversive of discipline, or which brings, or tends to bring, discredit on the University or its students; and, in particular, for the breach of any rule of the Association or of its affiliated clubs or societies, or for failure to comply with any direction given by the Association under the authority of its constitution.
- (b) The Association may, after giving the student, club or society reasonable opportunity to make representations, impose any of the following penalties; a reprimand, a fine not exceeding \$150, a requirement that restitution be made in respect of property stolen, lost, or damaged, unpaid University community service not exceeding sixteen hours in duration, and suspension (temporary or permanent) from the Association or from any of its affiliated clubs or societies.
- (c) Before imposing any penalty the Association shall inform the Chairperson of the Discipline Committee of the misconduct and of the penalty to be imposed.
- (d) Any student, club or society disciplined by the Association may appeal to the Discipline Committee within 10 working days, or such longer time as the Committee may allow in a particular case.
- (e) The Students' Association, instead of dealing with a disciplinary matter itself, may refer the case to the Proctor.
6. (a) Any student whose cell phone emits any sound during an examination shall be liable for the imposition of a fine not exceeding \$120.
- (b) The imposition of such fines has been delegated to the Examination Arrangements Senior Co-ordinator by the Pro-Vice-Chancellor

- (International/Student Services).
- (c) The Examination Arrangements Senior Co-ordinator shall report any action so taken to the Academic Administration Committee at the conclusion of each examination period.
 - (d) The Examination Arrangements Senior Co-ordinator, instead of imposing a fine, may refer a case to the Proctor.
 - (e) The current fines being imposed, and the infringements for which they are imposed, must be advertised to all students prior to any examination period.
 - (f) Any student fined by the Examination Arrangements Senior Co-ordinator under this regulation may appeal to the Associate Registrar within 10 working days.
7. (a) Any person, club or society against whom a decision is given by the Discipline Committee under these Regulations may appeal to the Council Appeals Committee, whose decision shall be final.
 - (b) An appeal to the Council Appeals Committee under this Regulation must be lodged in writing with the Registrar within 10 working days of the date of such decision, or such longer period as may be allowed by the Council.
2. Road markings and signs which are the same as those provided for in any Regulations made pursuant to the Transport Act 1962 or any Act or regulation passed in substitution thereof, shall have the same meaning and must be observed at all times. Any person who fails to comply with the direction of any road marking or sign commits an offence against this statute and shall be liable to a fine.
 3. Motor vehicles may only park in spaces which are specifically marked out for parking of motor vehicles and in accordance with any particular parking requirements specified for any such area. Vehicles are parked at the sole risk of the owner or driver and the University will not be liable for any loss or damage thereto. The University reserves the right to clamp or to tow away any incorrectly parked vehicles. Any vehicles clamped or towed away may be recovered after payment of any fines/costs incurred in clamping or towing away and/or storing the vehicle.
 4. Motorcycles and bicycles must be parked in the areas specifically designated for them and in accordance with any particular parking requirements specified for any such area. Motorcycles and bicycles are parked at the sole risk of the owner or rider and the University will not be liable for any loss or damage thereto. Any bicycles or motorcycles clamped or towed away may be recovered after payment of any fines/costs incurred in clamping or towing away and/or storing the same.
 5. (a) All vehicles parked on the Campus except bicycles and motorcycles must display an appropriate permit/coupon. Visitors and trade vehicles may park in those areas specifically designated for them and must display an appropriate coupon. A visitor is a person neither employed on the Campus nor enrolled as a student.
 - (b) Vehicles must use the correct car parks to which their permit/coupon applies during the time restrictions apply. Failure to observe this may result in their vehicles being clamped or towed away.
