 3. *Students who withdraw from a teaching practice must inform the College of Education Academic Manager or relevant Associate Dean.*
- (b) Enrolment in a degree programme which is by thesis only and in some postgraduate or graduate courses:
- i. Students enrolling for the first time in a degree programme which is by thesis only (such as the PhD and Master's degrees by thesis alone) may commence studies at any time agreed to mutually by the student and the Head of Department/School, and approved by the Academic Board.
 - ii. Master's research students who first enrol during the first official enrolment period of the academic year or before the second Friday of the first semester will be deemed to have commenced studies on 1 March, and fees will be payable on enrolment for the period 1 March to 28 February. In subsequent years, re-enrolment and payment of fees will be on the basis of the 1 March to 28 February year.
 - iii. In all other cases a specific start date will be registered for each student and fees will be payable for one year from that date.
 - iv. Re-enrolment will be required on or before the anniversary date.
 - v. Most postgraduate degree programmes that consist of, or include, course work have the same enrolment dates as given in 1. above, of this regulation, but some postgraduate or graduate programmes, for example the MBA and GradDipBA, have different start times, and detailed information is available from the relevant department/school.
 - vi. Master's thesis students and PhD students

may apply for a suspension of their studies; however, suspensions can only start from the first day of the month, will be for a minimum period of one month and will be granted for whole months only (refer to Section B Fees Regulations, Regulation 8 for fee refund policies).

3. Programmes and Courses which have a Limitation of Entry and/or Require a Special Application for Admission

Some programmes and courses have a limitation of entry and/or require a special application for admission in addition to the application to enrol. Such courses are listed in the Admission Regulations, G Limitation of Entry, Schedule to the Regulations for Limitation of Entry/Special Application (pp 18-23). Students should note that where indicated, prior to applying to enrol, application for admission to the particular course must be made by the date shown (see also pages 18-23).

4. Completion of Enrolment

- (a) A student's choice of programme and courses will be reviewed by staff in the appropriate colleges, schools and/or departments who will mark them as either:
 - i. Approved;
 - ii. Pending (a reason will be given; usually waiting for NCEA or university results, limitation of entry or transferring credits);
 - iii. Declined (a reason will be given).
- (b) Within 5 days after lodging an application, students will be able to check the status of their application online. *Note: In the case of limited entry course applications, although the automated prerequisite check may indicate 'Course Approval', the decision on admission to the course lies with the School or Department concerned.*
- (c) Students will receive an email if further documentation is required to support their application.
- (d) Once an Application to Enrol has been fully approved, students will be emailed an Enrolment Offer. This will list the approved programme, courses and site code along with the required fees.
- (e) Before they are officially enrolled, the student must:
 - i. check that the courses and site codes listed are correct;
 - ii. formally accept the Enrolment Offer;
 - iii. agree to the enrolment declaration; and
 - iv. pay the requisite fees, or make a suitable payment arrangement.

Notes:

1. Instructions on how to complete this process and the available methods of payment will be included with the Enrolment Offer.
 2. An inward fee authority from StudyLink or an acceptance of the Enrolment Offer indicating 'Loan' as the payment method are deemed to be a suitable arrangement.
 3. If a student indicates payment method as Loan, the University must receive a fee authority from StudyLink. If the University does not receive authority from StudyLink, a cash invoice will be sent to the student. This invoice cannot be changed to loan until a fee authority is received from StudyLink.
- (f) Once a student is enrolled a confirmation email will be sent to the student's personal email address.

Notes:

1. Students are required to ensure that the University has their current address. If the student moves they must inform the University of the change of address.
 2. Prior to completing enrolment the University will use the student's personal email address as the main point of contact. If the student wants to change their email or postal address details at this time, the student should contact the Contact Centre.
 3. Once the student accepts the Enrolment Offer and is fully enrolled (ENR status) all contact will be through the UC email and web portal. It is a condition of the student's enrolment, as per the student declaration, that all students must read information on their UC Student email/web portal at least once per week. Any changes to an email and postal address at this time must be submitted online.
 4. For an exemption, students must apply to and be approved by the PVC (International/Student Services).
 5. Enrolled University of Canterbury students should change their current and permanent/emergency addresses online through UC Student Web.
- (g) If a student wishes to change any details in the Enrolment Offer they should contact the University. Students who no longer wish to attend the University of Canterbury must follow the instructions given describing how to decline their offer.

5. Change of Enrolment

- (a) **Discontinuations:** A student will be officially discontinued from a course once a Change of Enrolment is submitted. Tuition fee refunds will be processed using the date that the discontinuation on the Change of Enrolment was submitted. Discontinuations will not be accepted after the final discontinuation dates.
- (b) **Additions:** A student will be officially enrolled in an additional course once an Application for Change of Enrolment has been approved. Once the addition has been approved the student becomes liable for the tuition fee relating to the additional course on the Application for Change of Enrolment.
- (c) Students who wish to completely withdraw from their programme of study must follow the online change of enrolment procedure. In extreme circumstances a concise, signed letter is also acceptable. The date of discontinuation will be the official receipt date of the letter. Students cannot discontinue courses after the final discontinuation dates listed under 2. Dates for Enrolment, Discontinuation of Enrolment and Change of Enrolment (adding and discontinuing courses) above.

6. Enrolment for Certificate of Proficiency

- (a) With the approval of the Head of Department/School, a student may enrol in any course or courses for which he or she does not seek credit to a degree, diploma or certificate of this University and may receive a Certificate of Proficiency for each course in which the examiners are satisfied that a pass has been obtained, subject to the provisions of the following regulations. Note: This regulation must be read subject to Admission Regulations A General and G Limitation of Entry/ Special Application Regulations.
- (b) A student enrolled for a Certificate of Proficiency in a course shall attend such lectures, sit such examinations and do such other work as is required of students enrolled in the course for a degree, diploma or certificate, and shall pay such tuition, Students' Association and other fees as are set out in the Schedule to the Fees Regulations.
- (c)
 - i. A student may enrol in any course or courses at 100, 200 or 300-level from any degree, diploma or certificate for credit to a Certificate of Proficiency either with or without having satisfied all prerequisite and co-requisite requirements for that course or courses.
 - ii. A student who satisfies all prerequisite and

- co-requisite requirements by the commencement of study for such course or courses may at a later date, and if credited with a Certificate of Proficiency, have that course credited to a degree, diploma or certificate.
- iii. A student who does not satisfy all prerequisite and co-requisite requirements by the commencement of study for such course or courses cannot at a later date have such course or courses credited to a degree, diploma or certificate, even if the prerequisite and co-requisite requirements for such course or courses are completed concurrently with or any time after the Certificate of Proficiency has been, except in exceptional circumstances as approved by the Academic Board.
- (d) With the approval of the Academic Board on the recommendation of the Head of Department/School, a student may enrol in any course or courses above 300-level for credit to a Certificate of Proficiency. If credited with a Certificate of Proficiency in such course or courses, the student can at a later date have such courses credited to a degree, diploma or certificate provided the following conditions are satisfied:
- i. that the candidate, at the time of enrolment in the course for credit to a Certificate of Proficiency, was eligible for admission to the degree, diploma or certificate programme and, where appropriate, had satisfied the prerequisites to the course to be credited; and
 - ii. that the enrolment in the course for credit to a Certificate of Proficiency and the completion of the requirements of the degree, diploma or certificate are within the time limit set down for that qualification.
- (e) A student who successfully completes a course or courses for a degree, diploma or certificate of this University and who subsequently decides not to credit that course to a degree, diploma or certificate may retrospectively request a Certificate of Proficiency in that course.

7. Cultural Enrolment (Personal Interest Enrolment)

- (a) Subject to the following conditions, enrolled students, members of staff and other persons may be permitted to attend lectures in courses offered by the University for cultural reasons; that is, for purposes other than credit towards a degree, diploma, certificate or professional qualification.
- (b) Cultural enrolment in courses is subject to places being available and the approval of the relevant department/school. If approved, cultural enrolment allows students to sit in on lectures only. Cultural students may not submit any work or receive any grades.
- (c) Cultural enrolment is not available for international students.
- (d) There is a fee of \$322 per course for cultural enrolment (2012). Cultural-only enrolment does not permit students to have a Canterbury Card, Library or IT (computer) access. If cultural students wish to join the Library, they may do so at the Library and will pay the normal joining fee. Cultural students are not entitled to IT (computer) access. Cultural-only enrolment students are exempt from the Student Services Levy.
- (e) After the tuition fee refund dates, students may not change the degree code of a course to Cultural. In these cases we advise students to discontinue the course and attend as Cultural without this being recorded in the system.
- (f) No exemption or credit shall be conferred under these regulations if the course taken is subsequently taken for credit towards a degree, diploma, certificate or professional qualification.

B. Fees Regulations

1. Payment of Tuition Fees

- (a) All students of the University shall pay tuition and other fees as are set out in the Schedule to the Fees Regulations.
- (b) Students of any department/school of the University may be required to attend at their own cost such field-work or excursions as may be found necessary in connection with their University studies. Students failing to comply with this requirement shall be ineligible to obtain examination credit for such studies.

2. Fees Payable at Enrolment

- (a) A student is not enrolled until their tuition fees are paid or suitable payment arrangements have been made. An inward fee authority to StudyLink is deemed to be a suitable arrangement. There is no provision for payment by instalments.
- (b) Students must also pay the compulsory non-tuition fees (refer to the Schedule to the Fees Regulations, Part 6. Non-tuition fees). For the full policy, rebate, lifetime cap, distance students rebate form, map, Vice-Chancellor's statement and FAQs go to www.canterbury.ac.nz/erol/fees/levy.shtml

3. Fee Payment methods

Students may pay their fees by one of the following methods:

- (a) In person (cheque, credit card or EFTPOS)
- (b) By post (cheque)
- (c) Online (Visa/Mastercard only)
- (d) Other agent (Staff fee waiver, TIA, Scholarship, Sponsorship)
- (e) Full payment student loan
- (f) Part student loan/part other payment method.

Note: StudyLink is a payment option. The student is liable for fees if StudyLink declines payment. It is the student's responsibility to check with StudyLink on eligibility for a student loan.

4. Fees Payable for a Change of Enrolment

- (a) **Discontinuations:** Tuition Fee refunds will be processed using the date that the discontinuation on the Application for Change of Enrolment was submitted. Discontinuations will not be accepted after the final discontinuation dates (refer to 2. Dates for Enrolment, Discontinuation of Enrolment and Change of Enrolment (adding and discontinuing courses) above).
- (b) **Additions:** Once the addition has been approved the student becomes liable for the tuition fee

relating to the additional course on the Application for Change of Enrolment.

- (c) Students who paid by cash at enrolment must pay within 14 days of receiving a notification of change, however, if a student wishes to change to payment by Student Loan, the University must receive a StudyLink fee authority before the student makes their change of enrolment. Please note any student loan authority from StudyLink will automatically override the cash system.
- (d) Students who paid by student loan at enrolment will have any additional fees automatically deducted from their student loan account, however, if a student wishes to:
 - i. discontinue a course, they should immediately advise StudyLink of any change that will affect their full-time status and check with a Finance Student Loan Officer.
 - ii. change to payment by cash for additional Change of Enrolment fees, they must notify Student Finance staff before making their course change.

5. Tuition fees policy

Tuition fees are charged on the basis of the fee band to which the course has been assigned.

- (a) Tuition fees cover the period of enrolment for:
 - i. undergraduate and most postgraduate students enrolled in a programme that involves coursework or a combination of coursework and dissertation, project, or thesis;
 - ii. Master's students enrolled in a programme that involves research only for a thesis, and who first enrol during the period from the beginning of enrolment to the second Friday of the first semester;
 - iii. students in graduate and postgraduate programmes where enrolment may be required before the first official enrolment period of the academic year.

Notes:

1. A student who does not complete or has failed a course by the end of the period for which fees are payable, as given in (a) above, and who wishes to re-enrol in the course, is required to pay tuition fees for the course for each fees period in which he or she is enrolled in the course.
2. A postgraduate student who is enrolled in a programme that involves research only, or who has finished all the coursework but not the research in a programme involving a combina-

tion of research and coursework, should refer to regulations 5(b) and 5(c) below.

3. *The basis on which fees are to be paid may differ from the above in cases where studies have been interrupted by suspension or where the student has been granted an extension.*
- (b) A postgraduate student who has completed the minimum period of enrolment required for the degree and any required course work and is completing written work may request enrolment for three months if the student and his/her supervisor consider that the written work will be completed within that period.
- (c) The Vice-Chancellor shall have power to make special provision in individual cases of hardship arising from (a) of these regulations.

6. Default in Payment of Tuition Fees

- (a) Any default, delay or failure to pay tuition fees within the due date will result in the cancellation of the students enrolment and stopping of all services to the student such as Canterbury Card, IT and Library services. The restrictions will apply until the fee is paid.
- (b) Subsequent payment of fees under these circumstances does not guarantee entry into previously approved courses.
- (c) Failure to pay includes:
 - i. If a student accepts their Enrolment Offer indicating 'Loan' and StudyLink declines or fails to pay the student's tuition fees within 14 days from the date of enrolment/course change.
 - ii. If a student who accepted their Enrolment Offer indicating 'Loan' and used a student loan to pay for all or part of their fees, discontinues from all study, or cancels the student loan with StudyLink before StudyLink has paid fees to the University of Canterbury.
 - iii. If a student pays the tuition fee by a cheque which is subsequently dishonoured.
- (d) Existing sanctions for debt, including Default in Payment of Tuition Fees, will remain and will have the following consequences for the student::

7. Late Application Fee

Students wishing to apply to enrol after the end of the first day of the official course start date are required to pay in advance a non-refundable late enrolment fee of \$100 per course and does not guarantee acceptance into either the course(s) or programme of study. The fee can not be paid by Student Loan. Late enrolment is subject to the approval of the Head of Department/School concerned and may be declined.

8. Fee Refunds

- (a)

2. *For Master's thesis students with an official approved start date, the two week refund date applies from that date. For Master's thesis students with an official approved start date who are re-enrolling, the two week refund date applies from their anniversary date. For Master's thesis students with no official start date, the two-week refund date applies from 1 March or 1 August.*

- (e)
- i. Tuition fee refunds for international students that exceed \$3,500 will be subject to a checking process by Student Financial Services before the refund can be released. Original payment source will be checked. Refunds will normally be made to the overseas bank account from which the original fees remittance was received, or to another registered New Zealand educational institution. Course materials are non-refundable.
 - ii. International Students' tuition fees paid in advance of enrolment will be refunded if the student is unable to complete enrolment and a refund is requested.

- (g)
- i. The only applications for refund or remission of tuition fees which will be considered after the dates in 8(a)i. above will be those arising from:
 - a. Medical reasons: a medical certificate must be supplied.
 - b. Exceptional circumstances (not of the student's making): independent evidence must be supplied.

- iv. Applications must be lodged within the calendar year of the relevant study.

- vi. Course materials are non-refundable and will not be considered in this process.
- vii. Backdating of course withdrawal by Colleges/Schools/Departments is for academic purposes only and, if approved, does not constitute a tuition fee refund.

9. International fees policy

- (a) The international fees quoted are for the 2011 academic year and are reviewed annually. All fees include New Zealand Goods and Services Tax. International tuition fees must be paid in full for the year at or before enrolment. There is no provision for payment by instalments.
- (b) There is no flat fee or fee cap at either undergraduate or postgraduate level. Students pay for exactly the courses they choose to take, whether that is less or more than 1.0 EFTS.
- (c) Fees are not charged by degree area, but by subject band. If a student is doing a Bachelor of Arts and chooses to take a Physics course as part of their programme of study, they will pay proportionally more for that course because Physics is in a higher band. If a student is doing a Bachelor of Science and chooses to take a History course, they will pay proportionally less for that course because History is in a lower band.
- (d) The international tuition fee for any semester indicator other than Summer Programme courses does not cover the fee for Summer Programme courses. If international students wish to take Summer Programme courses they are required to pay additional tuition fees for the course(s) they choose to take.

- (e) Students who apply for a student visa in their home country are normally required to provide the New Zealand Immigration Service with evidence that the tuition fee has been paid. The New Zealand Immigration Service will be notified if, due to course change or withdrawal, the student's course no longer meets the requirements of their student visa.
- (f) International students must enrol for a full-time programme of study as a condition of their student permit and remain full-time, ie, a total course weighting for the year of 0.8 EFTS (or 0.4 EFTS for single semester Study Abroad students only). Students must not drop to part-time when completing a change of enrolment. The University is obliged to notify the New Zealand Immigration Service if a student drops to part-time or completely discontinues.
- (g) Degree students must enrol for the full year. Completion of a degree is the only circumstance under which degree students may enrol and pay only for Semester 1 courses. A special dispensation from the Immigration Service will be required.
- (h) Students commencing study at the start of Semester 2 (S2), and Study Abroad students enrolling in any semester, pay fees for that semester only.
- (i) Approved reciprocal exchange students covered by a formal exchange agreement pay tuition fees to their home university, not to the University of Canterbury.
- (j) Australian citizens and permanent residents are entitled to domestic tuition fees as long as they are residing in New Zealand during their studies. Australian citizens cannot access a StudyLink student loan until they have lived in New Zealand for two years. Permanent residents cannot access a StudyLink student loan until they have had PR status and lived in New Zealand for two years.
- (k) All international PhD students enrolling/re-enrolling in 2011 will pay domestic fees for their PhD thesis only. Students must be residing within New Zealand and be on a New Zealand Immigration student visa.

Notes:

1. There is no flat fee or fee cap at either undergraduate or postgraduate level. Students pay for exactly the courses they choose to take, whether that is less or more than 1.0 EFTS.
2. Fees are not charged by degree code, but by subject band. For example:
 - (a) If a student is enrolled in a Bachelor of Arts and chooses to take a Physics course outside of the BA Schedule, they will pay proportionally more for that course because Physics is in a higher band.
 - (b) If a student is enrolled in a Bachelor of Science and chooses to take a Pacific Studies course from the BA Schedule, they will pay proportionally less for that course because Pacific Studies is in a lower band.
