Akoranga Raumati
Summer Courses

Summer

Get ahead in summer

Te Whare Wānanga o Waitaha | University of Canterbury (UC) offers a selection of courses in a range of subjects over summer (November–February).

Why study over summer?

Summer study gives you an opportunity to get ahead by:

- shortening the time it takes to complete your degree
- catching up after taking introductory courses during the year, or retaking courses you failed or withdrew from
- spreading your workload
- choosing an interest or specialist course
- improving your academic skills
- picking up prerequisite courses to prepare you for your chosen courses next semester.

If eligible, you can receive Hoto Akoranga StudyLink assistance over summer.

Due to their intensive nature, summer courses are not recommended if you are new to university study. The transition courses discussed on the next page are designed for new UC students.

Enrol now for November 2020

You can enrol in summer courses starting in **November 2020** by enrolling online through myUC. <https://myuc.canterbury.ac.nz/login>

If you need help, please phone the Contact Centre on +64 3 369 3999 or freephone in Aotearoa New Zealand 0800 VARSITY (827 748).

Further contact details are available online at www.canterbury.ac.nz/enrol/contact

Enrol for January 2021

From **1 October**, you can also enrol for summer courses starting in **January 2021**.

Important dates

If you were not enrolled at UC this year, the last date to apply to enrol is one week prior to the official start date of the summer course.

Current students can add a summer course to their study by submitting a change of enrolment up to the first Friday after the official start date, for a course of six or less weeks' duration; or the second Friday after the official course start date for a course of more than six weeks' duration. Teaching practices and field trip enrolment dates vary.

The last day UC will be open is **Wednesday 23 December 2020**, and will reopen in the new year on **Tuesday 5 January 2021**.

Fees and course information

For fees and other course information for summer courses, go to:

www.canterbury.ac.nz/get-started/summer-school/summer-degree-courses

Students studying over summer will pay a compulsory Student Services Levy in addition to course fees.

www.canterbury.ac.nz/get-started/fees/student-services-levy

Student loans and allowances

For general Hoto Akoranga | StudyLink advice, go to www.canterbury.ac.nz/get-started/fees

For further information, eligibility, and to apply for a student loan or allowance, please go to the Hoto Akoranga | StudyLink website www.studylink.govt.nz

Workload and expectations

Most summer courses have an intensive teaching format. This condensed teaching and assessment schedule requires your full commitment if you are to successfully complete your summer course. For this reason, we recommend that you take no more than two courses during the summer.

For workload reasons, we recommend that you spread your courses across the November and January sessions rather than enrolling in two courses in one session.

Due to the timeframes for summer courses, it is often not possible to be as generous with assignment extensions as it is for semester courses.

Transition courses

Our Headstart programme is suitable for students who have University Entrance and would like to prepare for a subject to meet programme prerequisites, or for students who have been away from study for a while to refresh knowledge, skills, and confidence.

Further information, including a full list of Headstart courses, can be found at www.canterbury.ac.nz/get-started/transition/headstart

Accommodation

Staying on campus is a great way to support your summer studies. The summer contract period runs from **Saturday 28 November 2020** until **Sunday 7 February 2021** (earlier arrival and later departure dates are subject to availability).

Sonoda Christchurch Campus

Enjoy summer study in a fun and supportive student community.

Accommodation is for a fully furnished single room, and includes power:

- Minimum stay of one week (\$176 per week*)
- Discounted rates for current residents
- A refundable fee of \$300 is payable for bookings of 4 weeks or more.
