1.5 Writing Task

Topic: 2012 London Olympics Poster

Text Type: Graphics

TASK:
Design a poster advertising one of the London Olympics events. It could be for use in London or to come and watch on a big screen somewhere in NZ.

Your poster could include:

- Countries involved or teams playing
- Date
- Time
- Location
- Cost (Adults, Students)
- Other information

The information that you write about needs to
- Include hiragana, katakana and kanji as appropriate.

Note:
- The quality of your language is more important than the quantity.
- Over your final three to five texts, there is to be evidence of communicating beyond the immediate context, for example, about the past, present, and/or future.
