Discuss with a friend what you would do if you won Lotto. You could, for example, talk about: What you would/would not buy, where you would live and why, whether you would give some of your winnings to others, how your win might affect, relationships with family and friends, how your win might change you as a person, how your win might influence your future.

Discuss with your friend what subjects you are going to take next year and why. You might discuss the job you would like to have when you leave school and what your possible study/training options are towards this, the pros and cons of the job you want, the rate of pay, the hours, and the possible advantages of knowing another language for particular jobs.

You are considering a gap year in a French-speaking country. You want to check out some of the things you have heard and are curious about: are they accurate? You could, for example, discuss: the education system, getting around by public, transport, food and meals, opportunities for employment, how people use their leisure time, things to do and see, important cultural differences to be aware of.
