| **Description of Task:** | **On discute notre après-midi**  
A free afternoon in Fès, but you have to tell Madame Field what you and your buddy will do for the two hours of free time!  
Discuss the three options you have been given (see below) and **come to a final decision**.  
- souks  
- tanneries  
- Médina and mosquée  

Your aim is to converse naturally, listen, ask questions, give your opinion with reasons, react appropriately and come to a final decision! |
| **Self/Peer Evaluation:** |  
On the Chat? chart, I think that I am at  
Information/Ideas:  
Language:  
Communication:  

**Authenticity** | I confirm that my part in this interaction is all my own work.  
Signature: ................................................................. |

**Conversation:** **On discute notre après-midi**

*The best task I did this year was the Moroccan conversation because I really enjoyed learning about Morocco and I could relate something to New Caledonia, so it was good. It was a task that interested me.*  
**Christina**
