Hōaka Pounamu is designed to extend teachers on the use of te reo Māori in the classroom.

## Are these courses for me?

This programme is ideal for early childhood, primary and secondary teachers who are teaching te reo Māori in mainstream, bilingual and immersion settings and want to gain a postgraduate qualification whilst upskilling their te reo Māori and teaching skills. Applicants may be Māori teachers, teachers of te reo Māori, teachers responsible for Māori in schools, Resource Teachers of Māori, or Resource Teachers of Learning and Behaviour who work with Māori children and/or families. The programme is designed for but not restricted to practising teachers.
