

Are you a few credits short of NCEA University Entrance?

Hagley College might be able to help you catch up, so you can start study at the University of Canterbury in Semester 1, 2020

If you are enrolled in Hagley's Intensive Catch Up programme (January/February 2020) and are on track to achieve NCEA University Entrance by 12 February 2020 you will be given provisional admission* at UC for Semester 1, 2020.

If you haven't already applied to enrol at UC then please do so as soon as possible! To enrol visit www.canterbury.ac.nz/enrol. If you have any questions with regards to your UC application please phone 03 369 4999 (Christchurch area) or 0800 VARSITY (0800 827 748) or visit our Student Services Centre on campus Matariki building, Level 1.

Accommodation options may be available during January and early February. Please see the Summer Accommodation information at www.canterbury.ac.nz/life/accommodation/, click on "Summer Accommodation 2019/2020".

**Your admission will be provisional because we won't be able to confirm with NZQA whether or not you achieved UE with your catch up credits until later in Semester 1. Once your UE status is known we will advise you if you will be permitted to continue your UC degree study in Semester 2 (if you achieved UE) or not (if you didn't achieve UE). If you didn't achieve UE with your catch up credits you could either enrol in our Certificate in University Preparation (CUP) or you might be able to complete further missing credits through Hagley College. You can recommence your UC degree study once you have achieved UE or have completed CUP.*

Please note that admission to the University does not always mean automatic approval into your selected programme of study, which is managed by the respective College in some cases. In the first week of February 2020 you will receive a letter advising that you have been granted provisional admission. Soon after you should receive your formal enrolment offer or you will be contacted by UC staff in case changes should be made to your course of study.
