Passionate about becoming a teacher? You could have your course fees paid plus a \$10,000 allowance.

At TeachNZ, we offer School Leaver and Undergraduate Scholarships for people who are either proficient or fluent in te reo Māori. So if you're studying to be a teacher in either primary or secondary schools, and you're reading this flyer, that means you.

If your application's successful, we'll pay your course fees and provide you with a \$10,000 allowance.

And you'll be free to focus on what's important to you – achieving your full potential as a primary or secondary teacher. But don't delay – applications open 2 February 2015 and close 2 March 2015.
