## Lab Tutor Application Form

---

Name

Student ID

Current UC status

(select from the list)

UC student/postgraduate email address\*

\*All communication in relation to this application should take place through your UC email address if you have one. If you have no UC email address you may provide another address, but note that if you are a recent past student/postgraduate then your UC email address should still be available to you and should be used for this application.

All successful applicants must meet the following requirements. Please check these carefully and tick the boxes before submitting your application:

I am available for the training session on **Friday 12 July** (morning).

I understand that, barring unforeseen circumstances, I am expected to be available for tutoring each and every week from Monday 15 July to Friday 11 October 2019 (Weeks 1-11 of Semester 2, 2019).

I understand that I must be available for the weekly tutors' meeting (time to be advised – likely to be Monday 8 am).

Please tell us below why you would be a good lab tutor:
