

College of Engineering | Te Rāngai Pūkaha

The Degree of Master of Engineering in Management (MEM - 120 points)

These regulations must be read in conjunction with the General Regulations for the University.

1. Version

These Regulations came into force on 1 January 2018.

2. Variations

In exceptional circumstances the College of Engineering Dean (Academic) may approve a personal programme of study which does not conform to these Regulations.

3. The structure of the qualification

To qualify for the Master of Engineering in Management degree a student must complete:

- (a) 72 points comprising six courses selected from the Schedule to these Regulations; and
- (b) a 48 point project.

4. Admission to the qualification

A student for the Degree of Master of Engineering in Management must have:

- (a) either:
 - i. qualified for the award of the Degree of Bachelor of Engineering with Honours; or
 - ii. qualified for the award of the Degree of Bachelor of Engineering; or
 - iii. qualified for the award of an appropriate degree in New Zealand; or
 - iv. been admitted with Academic Equivalent Standing as entitled to proceed to the Degree of Master of Engineering in Management; and
- (b) been approved as a student for the degree by the College of Engineering Dean (Academic) based on relevance and standard of prior studies.

5. Subjects

There are no majors, minors or endorsements for this qualification.

6. Time limits

A student must enrol for full-time study and complete within 12 months of study.

7. Transfers of credit, substitutions and cross-credits

This qualification adheres to the Credit Recognition and Transfer Regulations, with no additional stipulations.

8. Progression

This qualification adheres to the General Regulations for the University, which permits two course failures to qualify for the degree, with no additional stipulations.

9. Honours, Distinction and Merit

This qualification adheres to the General Regulations for the University, with the following stipulations:

- (a) Merit is not awarded for this qualification.
- (b) To be awarded Distinction a student must have a GPA of 8.0 or better.

10. Pathways to other qualifications

There are no advancing or exit qualifications for this degree.
