How do I find out about scholarships?

UC offers over $20 million in scholarships and prizes each year. In this brochure you will find many scholarships for those who are starting study in 2020. There are many more available and new scholarships are established regularly; make sure that you search for all that you could be eligible for at www.canterbury.ac.nz/scholarships/

How do I know if I am eligible for a scholarship?

Each scholarship has different eligibility criteria (e.g. subject/course, level, citizenship, age, gender, ethnicity, school, region, etc). Check the regulations to see if you meet the criteria. Apply for all the scholarships you are eligible for, as it is often possible to hold more than one scholarship at a time.

What if I am going on a gap year?

If you are planning to take a gap year, you should check whether the scholarship application must be submitted this year or next.

How do I apply for a scholarship?

You should apply through the UC Scholarships website. Applications can be submitted online from 20 June 2019. The closing date for applications is 15 August 2019.

To submit a scholarship application online, students will first need to register for a myUC account.

Referees will also be invited by the student to submit their references through the online system.

Note: The selection criteria for scholarships are listed in their regulations – you should be aware of these when completing application forms.

Steps to apply for a scholarship:

1. **Research**
   Find out what is on offer for you.

2. **Check you qualify**
   Read through the scholarship information to see if you meet the criteria.

3. **Check application dates**
   Scholarship applications open eight weeks before the closing date.

4. **Prepare your information**
   Start thinking about what you want to include and, if required, who to use as your referee(s).

5. **Complete your application**
   Take the time to complete your application and ensure you submit before the due date.

6. **Selection process**
   Be patient. The selection process typically takes six – eight weeks but may take longer. We will notify you as soon as a decision has been made.

Tips on applying for a scholarship

1. Read the regulations
   They tell you what the Selection Committee will be looking for and whether you are eligible.

2. Start your application early
   You can save your application and come back to it later if you need to do more research.

3. Talk to your referees
   It is important they know to expect a request from UC (which will have a
deadline).

4. Submit your application by the deadline
   This date is not flexible.

5. Sell yourself
   Scholarships are highly competitive, so make the most of the word limit
in open ended questions. This is an opportunity to tell us why you
 deserve the scholarship.

6. Apply for all scholarships you are
   eligible for
   Many scholarships allow you to hold
more than one at a time.

‘Being a recipient of the Go Canterbury scholarship has been one of my highlights for 2018.’

‘This programme helped me integrate into university life, as well as providing exciting and enjoyable trips throughout the whole year, where we were able to
explore Christchurch and other surrounding areas. Go Canterbury has bought me closer to other students at Uni Hall, and also provided me with a mentor
who has helped me achieve numerous opportunities throughout the year:’
