

I have an opportunity for a UC student, who do I contact?

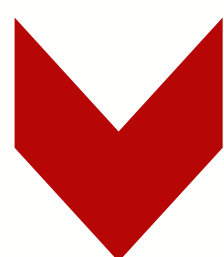

Paid

There are many entry level job titles for these roles like internship, experience or placement

Contact the Employment Coordinator about advertising on NZunicareerhub

Also contact the Learning and Employment Advisor if you have more opportunities in the future or would like to work with academics in a department

Voluntary

Is it related to a UC course discipline?

Yes

No

Is there time for your position to be included in a UC course or do you have more opportunities in the future?

Student Job Search or other advertiser

Yes

No

Refer to Learning and Employment Advisor for an ongoing relationship

We may be able to advertise on NZunicareerhub. Speak to the Employment Coordinator for approval

UC uses the term Work Integrated Learning (WIL) for all experiences that are integrated into our courses. If you are employing a student/graduate and are not working with a course or department, we consider this to be an entry level job.
