

Review Process for an Existing UCPL Document

Unscheduled review
– may be initiated at any stage prior to the scheduled review

Scheduled review
– initiated by PU 90 days prior to the review date

Scheduled review date

Policy review overdue

CO to email PU to advise commencement of unscheduled review and to request the link to edit the UCPL document

PU to email CO the link to edit the UCPL document

PU to email CO (& cc AA) at 90, 60 and 30 days (as required) prior to review date advising policy due for review & enclosing link to edit the UCPL document

If no action by CO

Overdue reminder emails sent to CO (& cc AA) at 30 day intervals after review date

CO to review policy:
1. Open link using Internet Explorer browser
2. Edit document using "track changes" in Review tab
3. Save document within browser not separately

PU to review policy:
PU to provide drafting advice and guidance regarding consultation.

CO: Does policy require further consultation, i.e., with SMTi or other committees/stakeholders?

CO to send policy out for consultation

CO to update policy following consultation

CO to email PU once review complete & to recommend length of review period (1, 2 or 3 years)

PU to review policy:
Check for consistency with UCPL standards and style guide and carry out a high level sense check

PU: Are there major changes requiring AA endorsement?

PU to email AA link to policy document to review

AA to review policy:
1. Open link using Internet Explorer browser
2. Edit using "track changes" in Review tab
3. Save document within browser not separately

AA to send policy out for consultation &/or update policy with any amendments

AA to email PU once policy amended

AA: Does policy require further consultation or amendments?

PU to re-review policy

PU to advise AA once policy re-reviewed & ready to go to SMT

AA to take policy to SMT for information (as per Metapolicy)

If further amendments required

If no further amendments required

AA to email PU to advise document approved for publishing

PU to complete review & publish policy document:
1. Check and accept changes
2. Publish to the UCPL
3. Update UCPL web pages and SMT report
4. Advise CO & AA (as appropriate) that policy published

Key:
AA = Approval Authority
CO = Contact Officer
PU = Policy Unit
UCPL = UC Policy Library
