

The Degree of Master of Engineering in Management (MEM – 120 points)

These regulations must be read in conjunction with the General Regulations for the University.

1. Version

These Regulations came into force on 1 January 2018.

2. Variations

In exceptional circumstances the Amo Pūkaha | College of Engineering Dean (Academic) may approve a personal programme of study which does not conform to these Regulations.

3. The structure of the qualification

To qualify for the Master of Engineering in Management degree a student must complete:

- (a) 120 points comprising six courses selected from Schedule C to these Regulations.
- (b) If courses in Schedule C are not offered in a given term, students may substitute courses approved by the Amo Pūkaha | College of Engineering Dean (Academic).

4. Admission to the qualification

A student for the Degree of Master of Engineering in Management must have:

- (a)
 - i. qualified for the Degree of Bachelor of Engineering with Honours; or
 - ii. qualified for the Degree of Bachelor of Science with Honours in an appropriate subject; or
 - iii. qualified for the award of an NZQF Level 8 qualification in Aotearoa New Zealand with a B Grade Average or better; or
 - iv. been admitted with Academic Equivalent Standing as entitled to proceed to the Degree of Master of Engineering Management; and
- (b) satisfied additional literacy competency of:
 - i. English as a first language; or
 - ii. IELTS (Academic) 7.0, with no individual score below 6.5; or
 - iii. other evidence that is acceptable to the College of Engineering Dean (Postgraduate); and
- (c) been approved as a student for the degree by the College of Engineering Dean (Postgraduate) based on:
 - i. relevance and standard of prior studies; and
 - ii. the recommendation of the Selection Committee, which may include an interview.

5. Subjects

There are no majors, minors or endorsements for this qualification.

6. Time limits

A student must enrol for full-time study and complete within 12 months of study.

7. Transfers of credit, substitutions and cross-credits

This qualification adheres to the Credit Recognition and Transfer Regulations, with no additional stipulations.

8. Progression

This qualification adheres to the General Regulations for the University, with the following stipulation:

- (a) This qualification does not allow for any course failures.

9. Honours, Distinction and Merit

This qualification adheres to the General Regulations for the University and may be awarded with Distinction and Merit.

10. Exit and Upgrade Pathways to other Qualifications

There are no advancing or exit qualifications for this degree.
