

GEOGRAPHICAL SOCIETY (Canterbury Branch) RESEARCH GRANT

The fund for this grant was raised by the New Zealand Geographical Society (Canterbury Branch) from Society members, Geography graduates, and associates during 1973 to commemorate the University Centennial.

1. This grant is used to assist candidates for a Masters degree in Geography who are likely to incur heavy personal expenses in research for their theses.
2. The grant may be awarded annually by the Council to a student or students on the recommendation of a committee comprising two academic staff members of the Department of Geography (one of whom shall be the Head of the Department) and two members of the committee of the Canterbury Branch of the Geographical Society (one of whom shall be the Chairman of the Branch). If in any year there is no suitable candidate no award shall be made. In the event of no award being made in any one year the money not expended may be used for an award in any subsequent year.
3. The total amount awarded each year shall not exceed three quarters of the annual income and any balance of income shall be added to the capital.
4. Full details of expenses should be given and receipts included where possible. A letter of recommendation from the candidate's Head of Department will be required.
5. Applications shall be made in writing to the Registrar no later than 5.00 p.m. on 31 March and 30 September.

NOTE: The current value of the grant is approximately \$500.
