

CANTERBURY CHEMECA TRUST FUND

The trust has been set up to promote learned-body activity in chemical and process engineering within Australasia.

Applications are invited each year by the Department of Chemical and Process Engineering for grants from the Canterbury Chemeca Trust Fund.

The total grant awarded from the Canterbury Chemeca Trust Fund shall not normally exceed \$500 and the award may be used to provide grants-in-aid to enable students and staff of the Department of Chemical and Process Engineering of the University of Canterbury to participate in conferences, workshops and events of a similar kind.

On the recommendation of the trustees, grants from the Trust Fund shall be awarded by Council.

Applications should be made in writing and should reach the Scholarships Office no later than 5.00 pm on 30 June.
